Agenda item 33

POLICIES OF APARTHEID OF THE GOVERNMENT OF SOUTH AFRICA

Request for hearing

Facsimile dated 21 October 1992 from Ms. Donna Katzin, South Africa Programs, Interfaith Center on Corporate Responsibility, addressed to the Chairman of the Special Political Committee*

New York

On behalf of the Interfaith Center on Corporate Responsibility, I would like to request the privilege of being heard by the Special Political Committee when it convenes meetings on 6 November 1992 to discuss "Policies of apartheid of the Government of South Africa".

The Interfaith Center on Corporate Responsibility has worked for over two decades to hasten the end of apartheid by pressing international corporations to sever their South Africa ties. At this time we would want to address the significance of continuing economic pressures until White minority rule ends, and the possible role for responsible reinvestment in South Africa once a representative interim government is established.

(Signed) Donna KATZIN
Director, South Africa Programs

* Distributed in accordance with a decision taken by the Special Political Committee at its 2nd meeting, on 9 October 1992.
